a baby boy

has a special way
of bringing out
the man in his father
and the little boy
in his grandfather

- TANYA MASSE

a baby girl

is a miracle
that never ceases
to be miraculous

children see

magic

*because they
look for it*

the very first moment
I felt him *my heart*
was irrevocably gone

the very first moment
I felt her *my heart*
was irrevocably gone

for all
the things
my hands
have held
the best
by far

is you

a baby is
born with
a need to
be loved

and never outgrows it

- FRANK A. CLARK -

sometimes
when I need

a miracle

I look into

my son's eyes

and realize

I have already

created one

sometimes
when I need

a miracle

I look into

my daughter's eyes

and realize

I have already

created one

and though
she is but little

she is fierce

in a field
of roses
she is a

wildflower

his little hands

stole my heart

his little feet

ran away with it

her little hands

stole my heart

her little feet

ran away with it

a baby makes

love stronger
the days shorter
the nights longer
savings smaller
and
a home happier

how wonderful life is
now that *you*
are in the world

while we try
to teach
our children
all about life

our children
teach us
what life is
all about

we made a wish

— and you came true —

I loved you

from the very start
you stole my breath away
embraced my heart
our life together has just begun
you're part of me

my little one

perfection
only exists in

babies

and

pastries

- GAYLE WRAY -

I want
to live
forever
to watch
you grow
to see what
a great woman
you will become

I want
to live
forever
to watch
you grow
to see what
a great man
you will become

let me love you

a little more
before you're
not little anymore

there are 2 gifts
we should give
our children

one is

roots

the other is

wings

may you know
my little one
you were

wished for
longed for
prayed for
and wanted

I love you

your
first
breath

took
ours
away

sweet boy

you are more
than we ever expected
and better
than we ever imagined

sweet girl

you are more
than we ever expected
and better
than we ever imagined

such a *big miracle*

in such a *small boy*

such a *big miracle*

in such a *small girl*

all of
God's *grace*
in one tiny face

you are loved

for the boy you are
the man you will become
and the precious son
you will always be

you are loved

for the girl you are
the woman you will become
and the precious daughter
you will always be
